

You're Invited!

Prairie Rivers of Iowa Denitrifying Bioreactor Field Day!

Tuesday, July 17 • 5:00 PM-7:00 PM

Field Extension Education Laboratory (FEEL) • 1928 240th St. Boone, IA

Free meal included! • RSVP by July 12

Topic: Design and implementation of practices to remove nitrate from tile lines

Join us for a tour of a denitrifying bioreactor and presentations from:

- Iowa Learning Farms Conservation Station on the Edge
- Local landowner with bioreactor experience
- Jace Klein, designer of bioreactors with Ecosystems Services Exchange

Please RSVP by July 12 to Prairie Rivers of Iowa at 515-232-0048 or kbergman@prrcd.org.

****Free meal included! Serving Jimmy's BBQ Pit****
